Re: Lower Darby Creek Area Superfund Site
May 30, 2002 response of the United States Marine Corps, to
EPA's Information Request

Dear Mr. Haring:

The United States Environmental Protection Agency ("EPA") has received and reviewed the May 30, 2002 response of the United States Marine Corps ("USMC") to its Information Request. That response was received by EPA on June 4, 2002 and attached information from USMC -Marine Aircraft Group 49, 4th Marine Aircraft Wing MAG-49, Naval Air Station, Joint Reserve Base (NAS/JRB) Willow Grove, PA and USMC – Bridge Company B, 6th Engineer Support Battalion.

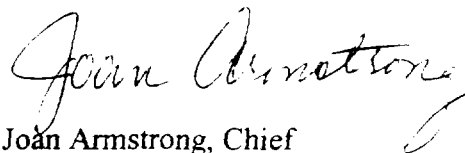

Unfortunately, it appears that USMC's response was misplaced in our file room and cannot be located in this office. By this letter, I am respectfully requesting that USMC submit to EPA a copy of its original response to:

Carlyn Winter Prisk

Sincerely,
